

IAS 2023 Prevention Roadmap

July 23 - 26, 2023, Brisbane, Australia

*All times below are in Australian Eastern Standard Time (AEST)

| Session Code | Title | Date | Time | Session Type | Location / Room & Channel | Intervention |
|--------------|---|-------------------------|-------------------|-----------------|------------------------------|-----------------------|
| N/A | HIV Cure & Immunotherapy Forum | Saturday, July 22, 2023 | 8:00 am - 7:00 pm | Pre-meeting | N/A Registration is closed | Cure |
| SAT015 | Taking prevention to the next level: Packaging PrEP with primary health care services as a pathway to achieving 2030 HIV prevention and universal health coverage goals | Sunday, July 23, 2023 | 11:30-12:30 pm | Satellite | Plaza Auditorium/Ch. 4 | PrEP |
| SAT021 | Regaining lost ground for HIV prevention: Acting on lessons learned from oral PrEP scale-up new PrEP method mix | Sunday, July 23, 2023 | 1:00-2:30 pm | Satellite | Plaza Auditorium/Ch. 4 | PrEP |
| SAT020 | HIV, Mpox and sexually transmitted infections linkages: what we know and where we're going | Sunday, July 23, 2023 | 1:00-2:30 pm | Satellite | Plaza Ballroom/Channel 3 | STIs |
| SAT026 | What's new in WHO guidelines: innovations, treatment, integration and monitoring | Sunday, July 23, 2023 | 3:00-4:30 pm | Satellite | Plaza Ballroom/Channel 3 | STIs |
| OP01 | Opening Session | Sunday, July 23, 2023 | 5:00-6:30 pm | Opening Session | Great Hall/Ch. 1 | General |
| PL01 | Vaccines and cure: Spotlight on antibodies | Monday, July 24, 2023 | 9:00-10:00 am | Plenary | Great Hall/Ch. 1 | bNAbs, Cure, Vaccines |
| SY03 | Empowering Indigenous and First Nations | Monday, July 24, 2023 | 10:30-11:30 am | Symposium | M4/Ch. 6 | General |
| OALBX01 | CoChairs' Choice | Monday, July 24, 2023 | 10:30-11:30 am | Oral Abstract | Great Hall/Ch. 1 | Cure, various |
| OAE03 | Show me the money: The cost of epidemic | Monday, July 24, 2023 | 10:30-11:30 am | Oral Abstract | Plaza Ballroom/Ch. 3 | PrEP, CAB, DSD |
| SY05 | Estimating HIV incidence in the era of long-acting PrEP | Monday, July 24, 2023 | 2:45-3:45 pm | Symposium | Plaza Ballroom /Ch. 3 | PrEP |
| SY07 | HIV cure research: Why are single cells? | Monday, July 24, 2023 | 2:45-3:45 pm | Symposium | M4/Ch. 6 | Cure |
| SY23 | Getting the story and telling it right: HIV in the media | Monday, July 24, 2023 | 2:45-3:45 pm | Symposium | Boulevard Auditorium/Ch. 7 | General |
| OAD01 | Situating gender-based violence in the HIV field: Evidence, advances and action | Monday, July 24, 2023 | 2:45-3:45 pm | Oral Abstract | M3/Ch. 5 | General |
| OAA02 | Immune-based interventions towards an HIV cure | Monday, July 24, 2023 | 2:45-3:45 pm | Oral Abstract | Boulevard Auditorium/Ch. 7 | Cure |
| SY08 | Injectable therapies for treatment and prevention | Monday, July 24, 2023 | 4:00-5:00 pm | Symposium | M4/Ch. 6 | Microbicides, PrEP |
| OAE01 | Designing services to optimize the delivery of PrEP for all who would benefit | Monday, July 24, 2023 | 4:00-5:00 pm | Oral Abstract | Plaza ballroom/Ch. 3 | PrEP |
| OALBA05 | Track A Late Breaker | Monday, July 24, 2023 | 4:00-5:00 pm | Oral Abstract | Plaza Terrace Room/Channel 2 | Various |
| PL03 | Communities leading the way: Combining approaches to community engagement | Monday, July 24, 2023 | 5:15-6:15 pm | Plenary | Great Hall/Ch. 1 | Testing |
| SAT037 | Innovations for sustainable integrated b | Monday, July 24, 2023 | 6:30-8:00 pm | Satellite | Plaza Terrace Room/Ch. 2 | VMMC |
| PL04 | The latest in HIV and STI prevention | Tuesday, July 25, 2023 | 9:00-10:00 am | Plenary | Great Hall/Ch. 1 | STIs |
| SY12 | Advances in gene delivery and engineering of T and B cells: Implications for prevention, therapy and cure | Tuesday, July 25, 2023 | 10:30-11:30 am | Symposium | Boulevard Auditorium/Ch. 7 | mRNA, bNAbs |
| SY09 | We know us: Community-led models of HIV care | Tuesday, July 25, 2023 | 10:30-11:30 am | Symposium | Plaza Terrace Room/Ch. 2 | General |
| SY10 | Lessons from COVID and mpox: Preparing for future pandemics and improving outcomes for people living with and affected by HIV | Tuesday, July 25, 2023 | 10:30-11:30 am | Symposium | Plaza Auditorium/Ch. 4 | PPPR |

| | | | | | | |
|---------|---|--------------------------|----------------|-----------------|----------------------------|--------------------------------|
| SY11 | HIV testing in the context of long-acting extended delivery of HIV PrEP | Tuesday, July 25, 2023 | 10:30-11:30 am | Symposium | M3/Ch. 5 | PrEP |
| OAC03 | Achieving HIV prevention and treatment at scale | Tuesday, July 25, 2023 | 10:30-11:30 am | Oral Abstract | M4/Ch. 6 | PrEP, Testing |
| OAD02 | Tackling stigma: Insights and interventions | Tuesday, July 25, 2023 | 10:30-11:30 am | Oral Abstract | Plaza ballroom/Ch. 3 | General |
| OALBC06 | Track C late-breaker | Tuesday, July 25, 2023 | 10:30-11:30 am | Oral Abstract | Great Hall/Ch. 1 | PrEP |
| PL05 | Towards elimination | Tuesday, July 25, 2023 | 1:30-2:30 pm | Plenary | Great Hall/Ch. 1 | U=U |
| SY14 | Bridging the digital divide: Leveraging technology to achieve 95-95-95 | Tuesday, July 25, 2023 | 2:45-3:45 pm | Symposium | M3/Ch. 5 | General |
| OAA02 | Immune-based interventions towards an HIV cure | Tuesday, July 25, 2023 | 2:45-3:45 pm | Oral Abstract | Boulevard Auditorium/Ch. 7 | Cure |
| OAE02 | The Power of People: Community based models to improve HIV outcomes | Tuesday, July 25, 2023 | 2:45-3:45 pm | Oral Abstract | Plaza Auditorium/Ch. 4 | Self testing, CLM, Integration |
| OAC04 | Strengthening sexual and reproductive health for diverse populations | Tuesday, July 25, 2023 | 4:00-5:00 pm | Oral Abstract | Plaza Terrace Room/Ch. 2 | PrEP, self testing |
| OAD04 | More than just oral PrEP: Innovative approaches for HIV prevention services | Tuesday, July 25, 2023 | 4:00-5:00 pm | Oral Abstract | Plaza Auditorium/Ch. 4 | PrEP |
| PL06 | Innovations for equity | Tuesday, July 25, 2023 | 5:15-6:15 pm | Plenary | Great Hall/Ch. 1 | Testing, PPR |
| SAT054 | bnAbs: From prevention to cure | Tuesday, July 25, 2023 | 6:30-8:00 pm | Satellite | Boulevard Auditorium/Ch. 7 | bnAbs |
| SAT050 | Next Gen HIV Prevention research: Clinical Trials in an era of highly effective standards of care | Tuesday, July 25, 2023 | 6:30-8:00 pm | Satellite | Plaza ballroom/Ch. 3 | Trial Design |
| PL07 | Understanding the HIV reservoir: New technologies and specific populations | Wednesday, July 26, 2023 | 9:00-10:00 am | Plenary | Great Hall/Ch. 1 | Cure |
| SY18 | Bridging new gaps: Responding to the challenges of emerging sexual cultures and social contexts | Wednesday, July 26, 2023 | 10:30-11:30 am | Symposium | M3/Ch. 5 | General |
| SY17 | Our bodies, our science: Empowering and promoting community engagement and practices in science | Wednesday, July 26, 2023 | 10:30-11:30 am | Symposium | Plaza Terrace Room/Ch. 2 | General |
| SY20 | Immune responses critical for viral control and approaches to harness them in vivo | Wednesday, July 26, 2023 | 10:30-11:30 am | Symposium | Auditorium/Ch. 7 | Cure |
| OAE04 | From silos to solutions: Embracing integration for better health outcomes | Wednesday, July 26, 2023 | 10:30-11:30 am | Oral Abstract | Plaza Auditorium/Ch. 4 | Integration, PrEP |
| SY22 | Strengthening sexual health: PEP, PrEP and vaccines for STIs | Wednesday, July 26, 2023 | 12:00-1:00 pm | Symposium | Plaza Auditorium/Ch. 4 | PrEP, PEP, Vaccines |
| SY21 | Decolonizing HIV science: Conceiving and advancing equitable, decolonial research practices | Wednesday, July 26, 2023 | 12:00-1:00 pm | Symposium | Plaza Terrace Room/Ch. 2 | Decolonizing HIV Science |
| OAA04 | Mechanisms of transmission and novelties in vaccine design | Wednesday, July 26, 2023 | 12:00-1:00 pm | Oral Abstract | Boulevard Auditorium/Ch. 7 | Vaccines |
| OAC05 | Differentiated service delivery with focus on PrEP | Wednesday, July 26, 2023 | 12:00-1:00 pm | Oral Abstract | M3/Ch. 5 | PrEP, DSD |
| OAE05 | #SwitchUp4KeyPopulations: Worldwide advancements in meeting the growing needs of key populations | Wednesday, July 26, 2023 | 12:00-1:00 pm | Oral Abstract | Plaza ballroom/Ch. 3 | Self Testing |
| OALBX02 | HIV prevention: Novel approaches and promising findings | Wednesday, July 26, 2023 | 12:00-1:00 pm | Oral Abstract | Great Hall/Ch. 1 | PrEP, STIs |
| CL01 | Closing Session | Wednesday, July 26, 2023 | 2:45-3:45 pm | Closing Session | Great Hall/Ch. 1 | General |
| TUPEE21 | No data no more: a tool to end the exclusion of trans and gender-diverse people in HIV research | | | E-Poster | Poster Exhibition Area | General |

| | | | | | | |
|---------|--|--|--|----------|------------------------|------------------------------------|
| EPD0580 | Raising new voices in HIV cure research: a review of an advocacy-for-cure academy and grant program | | | E-Poster | Poster Exhibition Area | Cure |
| EPE0987 | The value of measuring outcomes of HIV advocacy: utilising a novel and participatory approach for advocacy evaluation | | | E-Poster | Poster Exhibition Area | Monitoring & Evaluation |
| LBEPX55 | HIV prevention research & development investments 2001-2021: shifting investment priorities fund innovation in a challenging global health landscape | | | E-Poster | Poster Exhibition Area | Cure, Microbicides, PrEP, Vaccines |
| TUPED15 | Revolution of Transgender health programming: the role of transgender activists in Health programming for Malawi | | | E-poster | Poster Exhibition Area | General |
| EPD0534 | Perspectives of the community in HIV research for U=U and digital advocacy | | | E-poster | Poster Exhibition Area | |
