

2025 Roadmap

*All times are CAT

Session Code	Title	Date	Time	Type	Location	Intervention
PC0201	<u>Expanding PrEP Access: The Role of HIVST in Uptake and Scale-Up - HIV Self-Testing impact on HIV diagnosis and treatment</u>	Sunday, July 13	09:00 - 10:00	Pre-Conference	MH2	PrEP
PC101	<u>Co-infections, viral and host diversity: Impact on HIV cure - Session 1 - Opening and setting the scene</u>	Sunday, July 13	09:00 - 10:00	Pre-Conference	MH1	Cure
PC0501	<u>Success stories and future directions in African HIV vaccine research - Clinical research successes and lessons learnt</u>	Sunday, July 13	09:00 - 10:00	Pre-Conference	AD12	vaccine
PC0202	<u>Expanding PrEP Access: The Role of HIVST in Uptake and Scale-Up - HIV Self-Testing and PrEP services</u>	Sunday, July 13	10:15 - 11:15	Pre-Conference	MH2	PrEP
PC0203	<u>Expanding PrEP Access: The Role of HIVST in Uptake and Scale-Up - Integrating HIV Self-Testing in the Era of Long-Acting PrEP: Innovations and Future Directions</u>	Sunday, July 13	11:45 - 12:45	Pre-Conference	MH2	PrEP
PC0601	<u>Bridging the gaps: Community resilience - Funding cuts, broken futures</u>	Sunday, July 13	14:00 - 15:00	Pre-Conference	MH3	General
PC0704	<u>Building resilience: Strengthening national leadership, integration, and sustainable HIV programs in an era of funding transition - Sustaining HIV Prevention and Introducing / Scaling Long-Acting Prevention Tools: Navigating a Way Forward in the Current Environment</u>	Sunday, July 13	14:00 - 15:00	Pre-Conference	MH4	PrEP
PC0705	<u>Building resilience: Strengthening national leadership, integration, and sustainable HIV programs in an era of funding transition - Sustaining Key Population Programs amid Declining Donor Support</u>	Sunday, July 13	15:15 - 16:15	Pre-Conference	MH4	KPs
PC0706	<u>Building resilience: Strengthening national leadership, integration, and sustainable HIV programs in an era of funding transition - Collective Roadmap for Resilient HIV Responses</u>	Sunday, July 13	16:45 - 17:45	Pre-Conference	MH4	
SAT09	<u>Re-imagining prevention: Planning for sustainable PrEP access in the new funding context</u>	Monday, July 14	09:30 - 11:00	Satellite	MH1	PrEP
SAT35	<u>Lives in the balance: Adapting advanced HIV disease programs amid a changing global funding landscape</u>	Monday, July 14	09:30 - 11:00	Satellite	MH3	

SAT07	<u>Consolidating and advancing African leadership of HIV Cure strategies to accelerate cure research for Africa and the world</u>	Monday, July 14	11:30 - 12:30	Satellite	MH2	Cure
SAT08	<u>The future of person-centred HIV prevention: Latest evidence from the African continent</u>	Monday, July 14	11:30 - 12:30	Satellite	AD12	PrEP
SAT11	<u>What's new in WHO guidelines: Advancing prevention, testing, and treatment for impact and sustainability</u>	Monday, July 14	13:00 - 14:30	Satellite	MH4	PrEP
SAT15	<u>WHO session Towards the finish line: Leveraging science to accelerate progress, sustain impact, and shape the future of HIV</u>	Monday, July 14	15:00 - 16:30	Satellite	MH4	
SAT12	<u>Ending the HIV epidemic through people, partnership, innovation</u>	Monday, July 14	15:00 - 16:30	Sponsor satellite	MH1	
SAT14	<u>2025: Time to bring HIV, sexual and reproductive health together for better care</u>	Monday, July 14	15:00 - 16:30	Satellite	MH3	
	<u>Community priorities for PrEP research and delivery: insights from the People's Research Agenda</u>	Monday, July 15	15:30	E-poster	Virtual	
	<u>An AGYW-led HIV prevention research agenda: shaping inclusive and responsive strategies</u>	Monday, July 16	15:30	E-poster	Virtual	General
OP01	<u>Opening session</u>	Monday, July 14	17:00 - 18:00	Opening session	Auditorium	
SAT19	<u>The Power of Prevention</u>	Tuesday, July 15	07:30 - 08:30	Sponsor satellite	MH4	PrEP
SAT20	<u>Making Triple Elimination a reality: New strategies, partnerships and financing to increase access to integrated HIV, syphilis, HBV and Chagas screening and care through ante- and post-natal services</u>	Tuesday, July 15	07:30 - 08:30	Satellite	AD12	STIs
PL01	<u>Better meeting the needs of people living with HIV</u>	Tuesday, July 15	09:00 - 10:30	Plenary session	Auditorium	Cure, ARVs
OAC01	<u>From PrEP to harm reduction: Scaling up comprehensive HIV prevention strategies</u>	Tuesday, July 15	10:45 - 11:45	Oral abstract session	MH3	PrEP
SAT21	<u>How Long-Acting Drugs Can Help End the HIV Pandemic in Africa</u>	Tuesday, July 15	12:15 - 13:15	Sponsor satellite	MH1	PrEP
SAT23	<u>From freeze to forward: Ensuring HIV commodity access and service delivery in a changing funding landscape</u>	Tuesday, July 15	12:15 - 13:15	Satellite	MH3	
SAT25	<u>For this generation and the next: Lessons learned from early adopters of long-acting PrEP to drive sustainable access</u>	Tuesday, July 15	12:15 - 13:15	Satellite	AD12	PrEP
SS01	<u>Confronting the storm: The future of the HIV response</u>	Tuesday, July 15	13:30 - 14:45	Special session	Auditorium	General
OAE02	<u>No retreat, no surrender: Sustaining the HIV response in times of turmoil</u>	Tuesday, July 15	15:00 - 16:00	Oral abstract session	MH1	PrEP, VMMC
OAA02	<u>Here to stay: Renewed momentum for bNAbs in HIV treatment and cure studies</u>	Tuesday, July 15	15:00 - 16:00	Oral abstract session	MH2	Cure
OAC02	<u>Destination zero new acquisitions: Hailing a CAB to PrEP success</u>	Tuesday, July 15	16:30 - 17:30	Oral abstract session	Auditorium	PrEP
OAD02	<u>Health equity in challenging times: Threats and opportunities</u>	Tuesday, July 15	16:30 - 17:30	Oral abstract session	MH1	General

OAE03	<u>Zero AIDS-related deaths: Scaling up advanced HIV disease response</u>	Tuesday, July 15	16:30 - 17:30	Oral abstract session	MH4	General
SAT26	<u>Harnessing the private sector to deliver HIV prevention</u>	Tuesday, July 15	18:00 - 19:30	Sponsor satellite	MH1	PrEP
SAT27	<u>Integrating LA PrEP: Lessons learned and conditions for access</u>	Tuesday, July 15	18:00 - 19:30	Satellite	MH2	PrEP
SAT29	<u>The future of HIV prevention clinical trials</u>	Tuesday, July 15	18:00 - 19:30	Satellite	MH4	PrEP, bNAbs, Vax
PL02	<u>Taking the holistic view: Syndemics</u>	Wednesday, July 16	09:00 - 10:30	Plenary session	Auditorium	General
SY08	<u>Leadership for science: How do we move forward?</u>	Wednesday, July 16	10:45 - 11:45	Symposium	Auditorium	
SY09	<u>Long-acting technology: Revolution or retreat?</u>	Wednesday, July 16	10:45 - 11:45	Symposium	MH1	
OAB03	<u>Special issues in paediatrics</u>	Wednesday, July 16	10:45 - 11:45	Oral abstract session	MH4	
SAT32	<u>Implementation of long-acting PrEP in real world settings - the ImPrEP Project</u>	Wednesday, July 16	12:15 - 13:15	Satellite	MH2	PrEP
SS02	<u>The double burden: HIV incidence and prevalence in conflict</u>	Wednesday, July 16	13:45 - 14:45	Special session	Auditorium	
OAS01	<u>Co-Chair's choice</u>	Wednesday, July 16	15:00 - 16:00	Oral abstract session	Auditorium	
SY12	<u>Let's get real: Implementing PrEP choice in practice</u>	Wednesday, July 16	15:00 - 16:00	Symposium	MH4	
OAC04	<u>The emerging landscape of PrEP choice</u>	Wednesday, July 16	16:30 - 17:30	Oral abstract session	Auditorium	
SAT03	<u>Developing objective targets for monitoring PrEP program progress</u>	Wednesday, July 16	18:00 - 19:30	Satellite	MH3	
SAT36	<u>Understanding HIV evolution and host diversity in Africa to develop effective vaccines and antibodies</u>	Wednesday, July 16	18:00 - 19:30	Satellite	AD12	
PL03	<u>Getting to grips with prevention</u>	Thursday, July 17	09:00 - 10:30	Plenary session	Auditorium	
OAC05	<u>Purposeful PrEP: New insights on lenacapavir for prevention</u>	Thursday, July 17	10:45 - 11:45	Oral abstract session	MH4	PrEP
OAE05	<u>Nothing about us without us: Strengthening the HIV response through community-led monitoring</u>	Thursday, July 17	10:45 - 11:45	Oral abstract session	MH2	
OAC06	<u>Big money and the big picture: Funding and HIV epidemiology</u>	Thursday, July 17	12:15 - 13:15	Oral abstract session	Auditorium	PrEP
SY19	<u>Pregnancy and long-acting ARVs for prevention and treatment</u>	Thursday, July 17	13:45 - 14:45	Symposium	Auditorium	PrEP, ARVs
PL04	<u>Rapporteur report-back session</u>	Thursday, July 17	15:15 - 16:30	Plenary session	Auditorium	
CL01	<u>Closing session</u>	Thursday, July 17	16:30 - 17:30	Closing session	Auditorium
